

A-NAC1/2/3000 **network access** **controller**

- **Support Anti-Passback**
- **Support E-mapping**
- **Support Time Zone**

Product information

Features

- Support Alarm Trigger
- Support Scheduling
- Support Interlocking

Specification

Type of Database
MS Access / MS SQL

Card Capacity
20,000 max

Transaction Capacity
100,000 max

Network Protocol
TCP/IP

Current Consumption
Max. 200mA

Working Voltage
9.5V to 14VDC

Power Supply
12 VDC

Item Measurements/ Temperature

A-NAC1004L: 160 x 106mm

A-NAC2004L: 160 x 106mm

A-NAC3004L: 218 x 106mm

Operating Temperature -10°C - +50°C
