

## B-DVR1004

### vehicle dvr

- **Smallest DVR**
- **Shockproof**
- **Korean Made**
- **USB Backup Option**

## Product information

### Features

- Short resistance with support of 2.5" 500GB SATA HDD
- Metal aluminum housing
- Playback with as individual channels
- USB backup
- MPEG compression
- Voltage support from DC 12v to 24v
- Motion detection

### Specification

#### Video Input

4 Channel Input NTSC/PAL 1V 75 Ohm

#### Display Resolution

NTSC 704 x 480 / PAL 704 x 576 Real-Time

#### Recording Resolution

NTSC 640 x 224 / PAL 640 x 272 60fps

#### System Control

Remote Controller, External Controller

#### Approval

FCC, CE, KTL

#### Power Consumption & Input

250mAh

### Item Measurements/ Temperature

Width 143mm

Height 92mm

Length 20mm

Weight 0.5kg

Operating Temperature 0°C - 40°C
